MARSHALL SPEAKS

"Preacher" to Virginia Camp

Meeting.

[Special to The Times-Dispatch.]
Washington, August 31.—Vice-President Marshall's personal philosophy on all things from slit skirts to religion were expounded to a huge audience assembled at Great Falls, Va., to-day, where he played the role of "preacher" to a camp-meeting. Here follows some of the comments of Mr. Marshall.

"The American republic is a distinct evolution from the life of Jesus of

Nazareth.
"I am for freedom. I want the right to sit in my Presbyterian pew and worship in my own narrow way; and I am willing to give to you the whole outside for the Methodist hallelujahs."

OBITUARY

Robert W. James, seventy-three years old, a Confederate veteran, died yesterday morning at 7:15 o'clock at the home of his daughter, Mrs. Lillie V. Rowe, of 127 West Clay Street. He leaves a widow, two daughters, Mrs. Rowe and Mrs. W. L. Joynes, of Norfolk; three grandchildren and one great-grandchild.

Mr. James was a native of Williamsburg. At the opening of the War Between the states he enlisted in Company I, First Virginia Regiment, and remained with that command until October, 1891, when he was transferred to the Richmond Arsenal Later he was transferred to the Naval Ordnance Works, where he served until the close of the war.

The funeral will take place this afterneon at 5 o'clock from the residence. Cemetery.

Thomas W. Funk,

FOUND BY

A MICROSCOPE

The curability of Bright's Disease is not a matter of opinion, but a fact in Nature. One factor in determining it is the microscope.

Casts are flecks of kidney tissue that flow from the degenerating kidneys in Bright's ber of the Baptist Church.

Thomas W. Funk,

[Special to The Times-Dispatch, Thomas W. Funk, seventy-one years old, dies Friday near Bridgewater, Rockingham County. He was a distinguished Confederate solder, and belonged to a widely known Valley family. He leaves several children, including William F. Punk, of Washington, and five sisters, including Mrs. I. Pennybaker, of Franklin, W. Va. He was a member of the degenerating kidneys in Bright's

Disease. They can only be found by a microscope. If an agent has been evolved that counteracts kenal degeneration, then the casts must gradually disappear. That Fulton's Renal Compound gets these results can be proven by any scientist who cares take the time.

It is a mild infusion and can be taken by a child. The usual heart and climinative treatment given to sustain palling with Bright's Disease can be taken with it if necessary. There is no conflict. Recoveries have been reported in thousands of cases.

If our ideas are high, and if only a triple of the 20,000 annually dying from the disease can live on in comfort to other terminations, who can estimate the
